

Youth Opportunity – Model Senate

Be a part of the fifth annual Model Senate from Thursday, March 20 to Saturday, March 22, 2025, at the Senate of Canada Building in Ottawa, Ontario.

APPLICATIONS ARE NOW OPEN!

The deadline to apply is December 1, 2024 at 11:59 p.m. ET.

What is Model Senate?

Model Senate is a three-day event for post-secondary students who are curious about how Parliament functions and how senators do their important work. **There is no need to be an expert on the Upper Chamber or on parliamentary procedure to take advantage of this unique opportunity!**

Model Senate will help you improve your skills and develop new ones through a variety of activities. The event will also connect you with like-minded students from across the country and sitting senators who are excited meet you!

As a model senator, you will:

- Gain a deeper understanding of how senators serve Canadians and put your own skills to the test by debating issues on the floor of the Red Chamber or in a Senate committee room.
- Get face time with senators, their staff, members of the Senate Administration and fellow participants through meet-and-greets and networking opportunities.
- Collaborate with your peers in an inspiring setting, receive career advice and learn how you can help strengthen Canada's democratic institutions for many generations to come.
